ASSEMBLY GUIDE

STEP 1

Insert the 5 casters into the chair base.

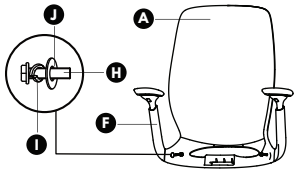

STEP 2

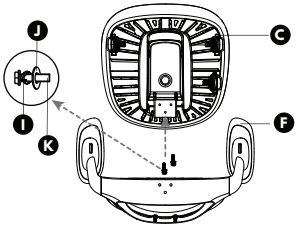

Insert the gas cylinder into the chair base, ensuring the thinner section faces away from the caster wheels.

STEP 3

Position the back rest and align the holes with the holes on the arm rests. Tighten using the screws provided.

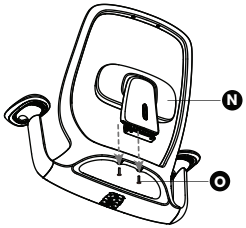

STEP 4

Attach the chair set and the back rest with arm rests using the screws.

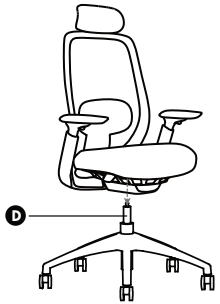

STEP 5

Attach the lumbar support onto the backrest with the screws provided.

STEP 6

Insert the tip of the gas cylinder into the underside of the main body of the chair. Sit on the chair to firmly engage the cylinder.

STEP 7 *OPTIONAL: FOR THOSE WITH HEAD REST

Attach the headrest onto the backrest with the screws provided.
