DESKY® BAMBOO AND WOODEN MONITOR STAND INSTRUCTION MANUAL

STEP 1

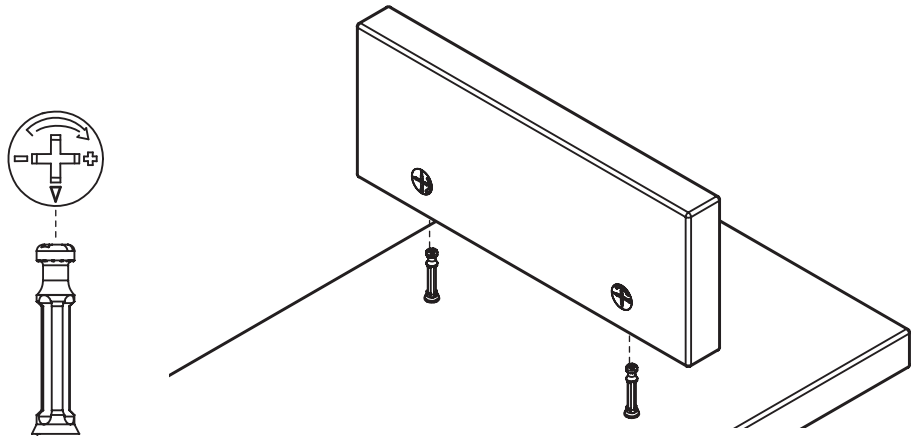

Insert 4 screws and tighten using a Phillips head screw driver.

STEP 2

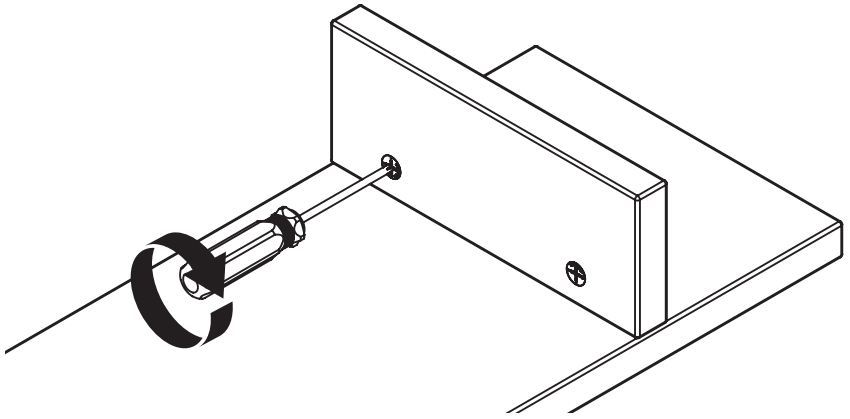

Insert all four Cam joiners into the feet. Ensure the arrow is facing towards the 4 screws you inserted in step 1

STEP 3

Insert the feet into the allocated holes. And Align the arrow with the tip of the screw.

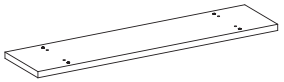

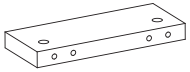

STEP 4

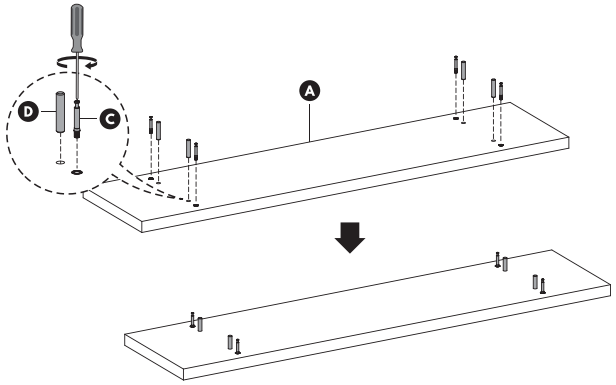

Tighten all 4 joints using a Phillips head screw driver.
Note: if not secure, repeat step 1 and check the dowels are fully inserted
